

## Tag Rugby Festival

Years 4, 5 and 6 entered the Slough School Sports Network Tag Rugby Festival being held at Slough Rugby Club. London Irish were in attendance to help referee the festival. The children played 5 matches against other schools from Slough. The festival was really enjoyable and tested the children's skills to their maximum ability. Every one played really well and worked very well as a team. Some of the tries were outstanding and the children would jump at the opportunity to play again.

### Quote

"I was so happy when I scored a try, it made me feel proud to be playing for Iqra"

### Year 5 & 6

### Year 3 & 4

### The A and B Teams playing Tag Rugby

## High 5 Netball Festival

8<sup>th</sup> March 2016

Iqra entered 2 teams into the High 5 Netball festival held at Langley Grammar School. Both teams played matches against other schools from Slough. The teams started off a bit rusty but improved throughout the day and by the last match they played some outstanding Netball. All the children had a great day and want to continue to play more Netball.
