Girls Football Match

Iqra v Slough and Eton

Girls from year 5 and 6 are having Football coaching every Thursday lunch time with a professional coach from the F.A. The girls wanted to play matches so Iqra has organised a series of matches against other schools from Slough. The girls played their 3rd match against Slough and Eton secondary school (year 7 girls) this week. The match was played at a high tempo with lots of fantastic skills on show. Slough and Eton won the match by 5 goals to 3 but the children had a fantastic time and gained a lot of experience. The girls are looking forward to their next match. A special mention goes to Baba who refereed the match to a high level.

Results

Slough and Eton won 5-3
