All the children gained a lot of experience playing against other teams from Slough and had a fun time in the process.

Quote: “was so excited that I was picked to play in the Tag Rugby festival. We had to try and beat the other schools and we thought it would be easy but we when we started we found it really hard and kept on loosing. We tried are best and kept playing and in our last game we won. I was a little sad that we didn’t get into the finial but still proud of my team. It was a lovely day and I had lots of fun.”
