Arabic Studies

Countries & My Daily Routines:

Autumn term in year 6 will include the topics Countries and My daily routines where pupils will learn the names of the seven continents and selected countries. Pupils will talk about countries they have visited or would like to visit and why. The focus during the second half of the term will be on children's daily routines where they will learn a song about different daily routines whilst learning to read and understand a text about routines, concluding in a written short text describing their daily routines.

Science

The human circulatory system and how it works Understand the circulatory system, describe the functions of the heart, blood vessels, and blood, and explain how they work together as part of the circulatory system.
Recognize the impact of diet and lifestyle: Identify the importance of diet, exercise and lifestyle choices on the body's health and how they affect the human body's systems. Learn About nutrient and water transport: Describe how nutrients, water, and oxygen are transported within the human body, focusing on the role of the circulatory systems.

PE - Gymnastics

The pupils will learn how to compose, perform an extended a range of movement patterns and skills needed to succeed.

Character Skill – Kindness & Friendship

The pupils will bring their topic of Slavery alive and learn a sequential routine. Pupils will learn how to co-ordinate different parts of their bodies in order to complete and perform the movement.

The pupils will start to learn about why mental health has a strong impact on their decision making and their own health.

The pupils will also be able to talk confidently and promote the importance of living a healthy life style, understand the long-lasting effects regular active movement has on our mental health and bodies.

RE

Key Beliefs:

How can beliefs practices and community support determine responses to matters of life and death? How might beliefs and community shape a person's identity

Music

Pupils will look at Sea shanties and recognise underlying themes linked with the music that was used to help slaves survive during their transportation.

- Develop an understanding of the history of music.
- Improvise and compose music for a range of purposes using interrelated dimensions.

Computing

Pupils will be able to decipher different forms of internet communication and what type of networking is involved. They will discuss issues related to privacy and information security and know how to manage information online.

Art

Recreating art work using inspiration from Picasso. They will develop techniques, including control and use of materials, with creativity, experimentation and an increasing awareness of different kinds of design. They will Improve mastery of Art and design techniques, including drawing, with a range of materials [for example, pencil, charcoal]

Additional Information

Preparation:

All children should have the school PE kit as this is part of their uniform. This **must** include trainers or plimsolls and the school T-shirt. Children are not allowed to do PE in their school shoes. Pupils are to come into school Wearing their PE kits on the following days:

6.1 : Wednesdays and Thursdays

6.2 ; Thursdays and Fridays

6.3: Monday and Thursdays

Please ensure that children are prepared for school every day. Children are expected and should be encouraged to attend every lesson with a pencil case and all necessary stationery.

Homework:

Homework will continue to be given out on a Friday for it to be completed by the following Tuesday. In addition to this, Year 6 children are expected to read independently for at least 30 minutes on a daily basis. Please encourage your child to set time everyday to complete the homework that they are set.

Parent workshop

Wednesday 18th September 2024 at 2:00pm. The parent workshop will be held face to face in the school hall. This is a crucial year for your child, so we encourage you all to please attend as it's important for you to understand Year 6 and how to support your child at home.

We hope that you find this information useful and will continue to support your child's learning at home.

Yours faithfully,

Mr Saddique (6.2 & Year Leader) Ms Ehsan (6.1), Ms Shahid (6.3), Ms Kashmiri and Mrs Ali
