

'Learn To Ride' Training

Pupils from year 3 had an amazing opportunity to learn to ride a bike. "Spokes" the Bikeability team visited the school and gave our pupils lessons and the confidence to take our pupils on their first steps in riding a bike. All the children had a fun time and really enjoyed the sessions.

"I had so much fun learning to ride my bike safely!"

Boccia Festival

Pupils took part in the Slough School Games Boccia festival which was hosted at Wexham school. The pupils had to roll a coloured ball to see how close they could get it to the Jack (white ball). The closest ball to the jack won. Our pupils had an amazing time and came in 3rd place, winning a bronze medal. Well done Iqra!
