How to use MS Teams from your mobile device

Step 1: Download the app onto your phone from Apps store or Play store depending on your phone

Step 2: Click on the MS Teams app to open it and you will see a sign in display like this.

Step 3: Put in your child's MS Teams email address and password which has been given by the school, then click the SIGN IN button.

This is what your team homepage will look like. Here you can access your class team to read any messages from your teacher.

This is what your assignment page will look like. You can see which assignment has been set, which are due, and which have been completed.
