Parent Open Mornings

Dear Parents/Carers,

I would like to invite you to our new Parent Open Mornings!

During these sessions, your child's class teacher will share strategies to support your child in specific areas of the curriculum and across the subjects, which can then be used when working with your child at home. These sessions will be **held in your child's classroom** and will take place **once a month** over the coming academic year.

The focus of the Parent Open Mornings will be on providing collaborative support for your child, as well as offering children the exciting opportunity to work alongside their parents at school. Due to the limited space in classrooms, and to avoid disturbance to other children and parents during the sessions, we regret that pushchairs, buggies, prams and younger siblings **will not** be able to attend. This will also ensure that you and your child can make the most of the session when working with the class teacher.

I am sure that you will be eager to support your child fully in their learning by attending the short sessions listed below and I look forward to seeing you in school.
