

Balance Bike Training

The EYFS team had the opportunity to learn how to ride a balance bike. The Bikeability crew visited the school to deliver a full days workshop on all the skills needed to be successful. All the pupils had an amazing time.

Team Building Fun

Our amazing pupils had the opportunity to visit Black Park and attend the Go-Ape High Adventure Tree Top Challenge. The pupils had to work together as a team , overcome their fears , climb high up into the trees and then zip down a hire wire line to get back to earth. Everyone was so thrilled to have completed the challenge . “BEST DAY EVER!”, one of the pupils said.

School Choir

In partnership with the Slough School Sports Network the school choir had the amazing opportunity to open the Schools Winter Sports Games Festival being held at Braywick leisure centre with a song our pupils had written and composed called “Tick Tock 60 Minutes Rock” all about the importance of being active for 60 min per day. The pupils sang in front of over 200 pupils and loved every minute being “Stars!”
