

Bike Ability

Once again we are proud that our year 6 pupils took part in a Level 2 Bike Ability programme. The pupils had to pass a skills test in school before going out on the main roads. The pupils learnt all about riding safely on the roads, making sure they were aware of their surroundings. Everyone passed the course and had a great time riding their bikes.

Water Sports Adventure

Year 6 had the most amazing time on their end of year trip to The Canoe Sports Trust water sports centre in Rickmansworth. The pupils tried for the very first time how to Kayak ,Canoe and how to use a Stand up Paddle Board and build a raft. (We didn't sink!...)

Cricket Festival

Our year 4 pupils took part in the Slough Schools Sports Network Cricket festival which was being hosted at Slough Cricket club. The pupils had to play against other schools from Slough. The pupils won 2 of their matches and were really proud of their achievements.
