- Homework will be set out on a Friday for it to be completed by the following Tuesday.
- Reading comprehension and grammar homework will also be set to all pupils to complete on a weekly basis.
- There is a list of Common Exception Words in the children's Reading log records – you will find these in the middle pages along with other grammar terminologies. Please make sure you regularly test your children on the spellings and get them to read them to you, as we will be using them in class daily.

Reading:

- Your child will bring a reading book home every night and should read for at least 10 minutes per day. This is vital for their writing skills. It is their responsibility to ensure they have a reading book. We would appreciate it if you checked their book bags on a daily basis.

Please encourage your child to set time every day to complete the homework as if it is left to do the night before, it can be overwhelming for your child to complete in one go.

We hope this information is useful to you.
